# SERVICES YOUR COUNTY TAX DOLLARS SUPPORT

"A new video series that markets Stormont, Dundas and Glengarry as an amazing community to visit has been debuted by SDG Tourism. The videos will be shared on all our social media channels. The high-end production value, combined with shoots at amazing SDG locations has resulted in a new marketing vehicle that will turn heads."

- Karina Belanger,  
SDG Tourism Coordinator

Your SDG Library offers incredible online access to ebooks, eMagazines, eNewspapers, Lynda.com, ArtistWorks, and much more from the comfort of your home. A new catalogue system now makes it even easier to organize your searches and borrowed materials.

The Counties' total paving budget for 2022 exceeds \$15 million for various roads throughout SDG. The total bridge rehabilitation budget is more than \$5 million, with the largest project being Ferguson Bridge on County Road 18.

The 2022 Counties total budget is \$66 million. This results in a 2.34 per cent increase for an average residential property in the Counties. Every \$100,000 of assessment in SDG results in \$589 of Counties taxation. In 2022 a typical SDG residential property assessment totals \$222,750, a 0.5 per cent increase compared to one year ago.

The Stay Discover Grow Regional Incentives Program was created in 2018 by the Counties to provide financial incentives to local businesses and non-profits to develop projects that create jobs, increase assessment, and grow our economy. "Businesses and non-profits can apply for grants that cover eligible costs up to \$50,000 per property, per year."

- Tara Kirkpatrick, Manager of Economic Development and Tourism.

SDG is policed under a single contract with the OPP—a regional approach that provides consistent service at a cost-effective price.

## Warden's Message

2022 is shaping up to be the year we begin to pivot away from COVID-19 and renew our focus on making the United Counties of Stormont, Dundas and Glengarry an amazing place to live, work and visit. Counties Council has employed sound fiscal decisions this year, which build upon the solid foundation of economic development we have fostered in our region. Counties Council is aware of external pressures created by global uncertainty around supply chains and inflation. Our 2022 budget ensures our residents continue to have access to the services we provide.

- Warden Carma Williams.
