Fire Services Coordinator

SOUTH DUNDAS - The Municipality of South Dundas is pleased to announce Jacob Perry as the new Fire Services Coordinator, effective February 5, 2024.

Perry has been a volunteer firefighter with South Dundas Fire & Emergency Services since 2019 and will be a welcomed addition to the administrative team. Born and raised in Morrisburg, Jacob loves the comradery of SDFES and joined to give back to the community.

"We're excited that Jacob's skills and knowledge for training and personal development will be a great asset to the Municipality and will be utilized as the department moves forward with their in-house training program" said Acting Fire Chief Alldred-Hughes.

The Fire Service Coordinator will be providing administrative support to the Fire Chief, as well as leading and assisting the development, review and management of programs and services within the Fire Department.
