Strategic Plan Adoption

Council has formally adopted the 2025-2028 Strategic Plan. The Municipality of South Dundas has developed a comprehensive strategic framework built upon three key pillars: Operational Excellence, A Growing Connected Community, and Sustainable and Dynamic Growth. These documents represent the culmination of extensive planning and consultation to guide the Municipality's development over the next four years.

The Strategic Plan sets forth the Municipality's vision as a destination for growth and wellbeing, supported by core values of collaboration, integrity, and continuous improvement. The Implementation Plan and Work Plan provide detailed roadmaps for achieving the strategic objectives while maintaining operational stability.
