6. GENERAL BUSINESS AND REPORTS

A) Earl Baker Park Multi-Use Pad Fundraising Working Group

Will be partnering with Williamsburg Harvest fest committee to do a pancake breakfast at the Easter egg hunt. Lions club will be loaning coffee pots for the activity. We don't really know how many to expect but are prepared for approx. 200.

B) Soccer nets are now at the shop and will be installed by the splash pad when the area dries up.

C) Beach overcrowding – staff will be hired, and planning continues

D) Budget discussion -

Beach mat will be ordered from Marine Rescue products. David needs to find a broker to deliver to Canada.

Compass Beautification – Kyle from Seaway Horticultural Society joined the meeting. They are super interested in being a part of this project. Kyle will do a design for the committee to approve. \$4000 has been committed to this. A rock mulch with fabric called Xeriscape will be used and will help by being very low maintenance.

Picnic Tables – David has not heard anything from SDHS. Approx \$225 per table and 10 – 15 tables are needed. If SDHS is unable to do all, we can order more through Emard's.

Dog Waste Receptacles - David will order through Uline

E) Grants/Funding - OPG – David has reached out, but has not heard anything

South Nation – Nancy

F) Corner Sign – Economic Development and Tourism is looking for a representative to go to a meeting and share what all groups are working on.

G) Cigarette Receptacles – on the list now that the snow is gone.

H) UEL plaques are done and will probably be installed in July or August.

I) Bike Racks – can we get Ec/Dev on board with this as they promote the bike path? David will be ordering one for now.
