

<b>POLICY MANUAL</b>	<b>Policy No. 6-2</b>
<b>For the Township of South Dundas</b>	<b>Effective Date: July 1998</b>
<b>Subject: Ditch Fill-In</b>	<b>Department: Transportation Services</b>

Requests for filling in of ditches along Township roads may be made to the Public Works Department by way of permit. The Public Works Department will supervise all construction.

The project will be completed in accordance with the specifications attached to the application. There must be at least one manhole placed between driveways and if more are required, the Manager of Public Works will request installation of the required number. All construction and maintenance costs shall be paid by the property owner.

Conditions or terms of any situation not covered by this policy shall be at the discretion of the Public Works Manager.
