### **Dispensing Kindness**

#### **Gilmer Pharmacy Donates \$10,000 Toward the New Dundas Manor**

Gilmer Pharmacy is filling more than prescriptions; they're filling a need. The Iroquois business has donated \$10,000 to the WDMH Foundation in support of the new Dundas Manor, helping build a modern, welcoming home designed to enhance residents' quality of life.

The donation was celebrated with a recent cheque presentation at the pharmacy. In attendance were pharmacy co-owners Tracey (Gilmer) Stewart and Ryan Gilmer, who have deep roots in the area and a strong commitment to giving back.

"We are honoured to be able to help fund such an important project in our area," said the pharmacy team, sharing their pride in supporting a project that will serve generations to come.

During their visit, the Gilmer Pharmacy team learned more about construction progress and shared their excitement about seeing the new home take shape. They look forward to touring the new Dundas Manor this fall and seeing firsthand how their support is helping create a warm, comfortable place for residents to call home.

The WDMH Foundation extends sincere thanks to Gilmer Pharmacy for their generosity and community spirit. With community partners like Gilmer Pharmacy, the future of Dundas Manor is receiving exactly the right dose of support.

Inspired to help build a welcoming new home at Dundas Manor? Those wishing to make a donation are invited to contact the WDMH Foundation at 613-774-2422 ext. 6162.
