Construction Notice

RE: Surface Renewal Overlay Contract

Cornwall Gravel Company Limited will be completing hot mix paving work along Pittston Road and Hanesville Road as part of the United Counties of Stormont, Dundas and Glengarry's Surface Renewal Overlay (SRO) Contract. This project is a collaborative effort between the Municipality of South Dundas, Township of Edwardsburgh Cardinal, and the Counties to coordinate roadway improvements in advance of the upcoming Pittston Creek Bridge rehabilitation project.

The work will consist of roadway resurfacing to provide a smoother and more comfortable driving surface for the travelling public. Construction is currently scheduled to begin May 20, 2026, between the hours of 7:00 a.m. and 7:00 p.m., weather permitting.

Residents will continue to have access to their properties throughout construction; however, temporary delays should be expected during active paving operations. Where possible, the travelling public is encouraged to avoid the area during working hours to help reduce traffic congestion and allow the work to be completed safely and efficiently.

Cornwall Gravel Company Limited will take every precaution to minimize interruptions during construction and appreciates the public's patience and cooperation while this work is being completed. If you have any questions or concerns during construction, please speak with the onsite foreman, who will be happy to assist you.

Should you require additional information or have construction-related inquiries, please contact Cornwall Gravel Company Limited at 613-932-6571.

We apologize in advance for any inconvenience and thank you for your cooperation during construction.
